Multiplication Table

Write a program that inputs an integer n and prints an $n \times n$ multiplication table in the format below.

The figure is a sample output for $n=6$.

1	2	3	4	5	6
2	4	6	8	10	12
3	6	9	12	15	18
4	8	12	16	20	24
5	10	15	20	25	30
6	12	18	24	30	36
